## Mrs. Erranton Tells Of Shooting Of Husband By Clinton Attorney

Mrs. Allen Erranton said Tuesday that she read a passage from the Bible to Robert Humphreys and pleaded with him not to shoot her husband Monday night.

Humphreys, county attorney of Hickman County, is in jail at Mayfield charged with the fatal shooting of Erranton shortly after 7 p. m. Monday. Dazed, and apparently unable to recognize the faces of even his closest friends, he has given no explanation of the Mayfield shooting.

Erranton, riddled by seven bullets from a .45 automatic pistol, died about three hours after the shooting.

Graves County Coroner Jack Anderson said Mrs. Erranton gave these details Tuesday:

Humphreys arrived at the Erranton home about 6:30 p. m., and was admitted by Erranton and asked him into the house.

She said there was some conversation among the three of them and then Humphreys said "I have come to kill him" (Erranton).

Mrs. Erranton said she and her husband tried to reason with the attorney, and she told him he would ruin his life and the life of others if he committed murder. She quoted the attorney as saying, "It doesn't make any difference."

In a few minutes, she said, Humphreys asked the couple if they had anything else to say, then aimed his pistol and fired twice.

Erranton fell on a couch and she grabbed a blanket and tried to throw it over Humphreys' pistol. He cast the blanket aside and continued on Page Eight

## Westpheling Leaving For Puerto Rico Duty

Paul Westpheling, Jr., News Publisher and a Captain in the U. S. Army Reserve, will leave this weekend on a three week tour of active duty with a joint Army-Air Force-Navy task force in Puerto Rico.

Westpheling will report to Ft. Bragg Tuesday morning and will fly from there to the San Juan (PR) Naval Base, where he has been tentatively assigned to the Liaison office.

The military duty is in connection with "Exercise Big Slam Puerto Pine", a joint exercise coordinating all three military services. The Military Air Transport Service, which will fly 22,000 strategic Army Corps troops and 11 tons of equipment from various points in the U. S. to Puerto Rico maneuver areas and return, describes the 15-day exercise as "the largest peacetime mass troop airlift in history."

Capt. Westpheling will return to Fulton about March 25th.

## Program In Interest Of Red Cross Drive March 15 Presented To Rotarians

In interest of the coming Red Cross Drive, which begins in Fulton March 15, Warren Anderson had charge of the program at the Fulton Rotary Club Tuesday, March 1st. He presented R. W. Burrow, one of the local directors of Red Cross, who showed a 15-minute film entitled "My Kind of A Story." This film showed the activities of the National Red Cross such as work in disasters, water safety, blood banks, the training of nurses, swimming instruction, many other important functions.

Mrs. Morgan Omar, Home Service Secretary for the Fulton chapter of the Red Cross, was the speaker for the program. She told of her work with this organization consisting of getting servicemen

## New Low-Cost Power Bill Is Introduced By Rep. Joe Treas

A toned-down version of the Low Cost Power Bill of 1960 was introduced in the House of Representatives Monday night. The bill designated HB 415, deals with cities' rights to acquire electric distributing systems.

The new bill would simplify appraisal procedures as set out in the existing TVA Act of 1942 and would provide an alternative condemnation procedure for the cities. The bill was drafted by Kentucky Citizens for Low Cost

Power. Ed Paxton Jr., vice president of the citizens group, said it has the full endorsement of the State Association of Rural Electric Cooperatives. He said every effort has been made to satisfy as many objections to the first bill as possible.

The earlier bill died in the vine when it was reported out of committee unfavorably in the Senate. In addition to the provisions of the current bill, the first bill called for the repeal of the Everett Act and eliminated the necessity of a popular vote on condemnation proceedings and issuance of bonds for acquisition of an electric plant.

The Everett Act, passed by the 1958 General Assembly, forbids construction of a competing utilities facility where a utility is already serving an area.

The new bill was introduced by Joe Treas (D-Fulton), George Ellis Jr. (D-Glasgow), Albert Smith (D-Monterey), Roy Davis (D-Bardwell), James Miles (D-Paducah), Fred Morgan (D-Paducah), Virgil Smith (D-Princeton), Otis Lovins (D-Murray), George Harris (D-Salem), John Faulkner Jr. (R-Williamsburg), and Earl Carter (R-Tompkinsville). The bill was introduced on the eve of the rules committee taking over in the House and Senate.

## Corn Gets Shuck In County Crib

Fulton County again has a new jailer!

Back about Dec. 1, the elected jailer, Earl Tibbs resigned after suing the city of Fulton and the county for money he had spent on feeding county prisoners.

To fill the vacancy, County Judge John Bondurant named Buster Shuck of Fulton, who had been assisting around the county lock-up, as jailer. That was on Dec. 1.

Recently, Shuck celebrated with a little corn, and had to be locked up, himself, in his house of confinement.

Don't know just how true it is, but the story going the rounds is that Shuck cordially invited his inmates to help him celebrate.

Consequently, Shuck was asked to resign — which he did on Feb. 24.

Melvin Cagle of Hickman was appointed the new jailer on Feb. 26 by County Judge John Bondurant.

## B&PW Club Has Meeting Tuesday

The Fulton-South Fulton Business and Professional Woman's Club held its regular monthly meeting at Fellowship Hall of the First Baptist Church Tuesday evening at 7:30. Mrs. Nelle Lowe, president, presided over the meeting.

The secretary, Mrs. Kellena Durbin read the minutes and the treasurer, Miss Ouida Jewell, gave her report.

Mrs. Durbin read a number of recommendations by the Executive Board. These included that a First Aid Course be conducted for the members; that members of the board of directors be dropped after missing three consecutive meetings; and that the club have a style show sometime before Easter.

Mrs. Leland Jewell, National Security Chairman, was asked to contact Wesley Richardson, local instructor, to see if and when he could teach the class.

Following the business meeting cake and coffee were served.

## Schools Dismissed Because Of Snow

Approximately six inches of snow covered the ground Wednesday morning, causing all streets, highways and roads to be highly slippery.

The South Fulton School, a county school, was closed Wednesday because of the snow-covered highways and roads, according to Principal Lester Betty.

Fulton students were attending school Wednesday morning. Principal Mansfield Martin said, but would be let out at noon. School was to resume Thursday morning.

## Board Working To Bring Improved Program In Boys Baseball Leagues

At a recent meeting of those interested in the boys baseball program, a board of directors, consisting of John Colley, Harry Hancock, Lawrence Yates, Joe Mac Reed, Charles Pawlukiewicz, Glenn Veneklasen and J. D. Hales, was elected to guide this program for the coming baseball season.

From the board of directors, John Colley was elected president. M. R. Jeffers of the Fulton Bank, and every effort is being made to will again be treasurer of the organization.

This board is meeting regularly and every effort is being made to bring an improved program, both

in the Little Boys League and in the Pony League.

It is the intention and hope of this board to set up an umpire school, under direction of Bill Baum, who will be in charge of the Umpiring and Rules Committee.

Other new ideas are being brought forth from time to time in the board meetings and it is believed this will be the most successful year that the boys of Fulton and South Fulton have had.

Plans are now underway to sponsor a benefit Little League basketball game between the seventh and eighth grade teams of South Fulton and the seventh and eighth grade team of Carr Elementary School.

This game will be held at South Fulton gym next Tuesday, March 8, at 7:45 p. m.

Tickets will be 50 cents for adults and 25 cents for children.

All proceeds of this game, as well as proceeds from the concession stand for that night, go into the treasury of the Little Boys Baseball program.

It is hoped that the residents of both Fulton and South Fulton will support this worthwhile program by attending the benefit game and by doing everything in their power to help the board make this the best program possible.

KENTUCKY COLONELS ALL: When Personnel manager Charles Pawlukiewicz (left) and plant manager George B. Smith at Ferry-Morse received Kentucky Colonel commissions last weekend in a special presentation at the Plant, they were congratulated by Company President James Pottinger, visiting here at the time. Col. Pottinger received his commission last June during Open House festivities at the new Fulton plant.

## Action By Purgation Board In Removing Turners' Names Was Not Illegally Done

Mrs. Kathryn Lannom, County Court Clerk, informed the News that C. A. Turner and his wife were notified and that they did appear before the Purgation Board, before the Board's action in removing their original registration cards from the master file as reported in last week's News.

Mrs. Lannom told the News that the Purgation Board met on Feb. 17, and on the morning of Feb. 18, a notice was mailed to Mr. and Mrs. C. A. Turner by first class mail, which stated that they had five days to appear before the Board for a hearing.

Mr. and Mrs. Turner, according to Mrs. Lannom, appeared before the Board on Feb. 23 for a hearing.

After the hearing, the Board ordered the County Clerk to remove his name and his wife's name from the registration list and place them on a suspended list as they believed them to be residents of Tennessee.

After the hearing the County Clerk removed their original registration cards from the master file and placed the original registration cards, which had remained in the master file until after the hearing.

The original registration cards and their copy cards from the books have both been filed under suspended list, according to Mrs. Lannom.

The County Court Clerk said that the County Attorney did not tell Mr. Turner that the action was illegal as Mr. Turner said in a statement to the News last week. She said the County Attorney stated to Mr. Turner that if he (Turner) had been purged before his hearing it would have been illegal, but Mrs. Lannom said that Turner's original card was not removed until after the hearing.

After the hearing, the Board ordered the County Clerk to remove his name and his wife's name from the registration list and place them on a suspended list as they believed them to be residents of Tennessee.

After the hearing the County Clerk removed their original registration cards from the master file and placed the original registration cards, which had remained in the master file until after the hearing.

## NARROW ESCAPE

A 47-year-old Wingo man, James Claude McNeely, had a narrow brush with death recently as he lay pinned under the wreckage of an automobile in a ditch filled with icy water for nearly an hour.

## Recent Increase In Fulton School Tax Makes Possible Many Improvements

The new school tax increase, the shop course next year. A film strip machine and accessories will be available for use at Fulton High.

The high school building as well as other buildings will be painted every four or five years.

The furnaces at Carr Elementary and Terry-Norman will be converted to gas heat soon.

Up to three full time and one part-time teachers are going to join the Fulton City School faculty. These will be paid directly by this tax.

At the present time, the general property tax rate for the Fulton City Schools is \$1.50 per \$100.00 of assessed valuation. The new tax rate will add up to \$.50 to the tax rate or approximately \$2.00. This will mean an overall gain in tax receipts of about twelve to fifteen percent from local revenue source since the tax rate does not affect bank shares or poll tax. This year's total will add up to about \$20,000 (about the same as last year.)

This increased tax is scheduled to be levied on July 1, 1960. Results will be evident during the next school year.

## South Fulton Tops Cottage Grove

Atwood's boys downed Troy, 73-37, and South Fulton whipped Cottage Grove, 69-47, in the opening round games of the Region VII boys basketball tournament Tuesday night at Paris.

Kenneth Times and Jesse Powers supplied most of the points in the Atwood attack, Times ripping the cords for 27 and Powers for 20. David Erwin barely reached the double figures with 11 points for Troy.

Sam Miller and Mitchell Reed each tossed in 14 points to pace South Fulton's victory while Rhea Hart sank 21 for Cottage Grove. Howard Wilson, usually among the top scorers, suffered a broken leg when a South Fulton player charged him in the first quarter.

## Two Women Injured

Several local residents got spills on the icy streets Wednesday and a few injuries were reported.

Mrs. Oliver Cunningham, wife of the Church of Christ minister, fell in her driveway Wednesday morning, and hurt her right arm. A cut on the arm required two stitches.

Mrs. David Travis also got a fall Wednesday morning and was treated at Jones Hospital.

FAVORITES CHOSEN—Pat Dowdy, son of Mr. and Mrs. Gene Dowdy, and Wanda Outland, daughter of Mr. and Mrs. Richard Willey, have been chosen Mr. and Miss South Fulton, Tenn., High School. Both are high school seniors.

### FROM THE FHS "KENNEL" District Tournament Starts Wednesday

Five teams — Fulton, Fulton County, Hickman County, Carlisle County, and Riverview — will compete for the basketball championship of the First District at the Fulton County High School gym in Hickman March 2-5.

The Fulton Bulldogs will meet their rivals, the Carlisle County Comets, in the second game of the season, Thursday night, March 3. The Comets are the favorites to win the tournament, and the Hickman County Falcons are the second choice.

There will be one game each night, with action beginning at 7:30 p. m. The admission price will be \$1.00 for adults and \$.50 for students.

Carlos Lannom, Fulton County principal, is the tournament manager and Harold M. Garrison is his assistant. Jim Solomon and Bobby Hargis are the referees, Earl Bolin is the timer, and Charles Culin is the scorer.

The Bulldogs will go to Hickman March 1, for a practice session from 9:15 to 11:15 a. m., to better acquaint themselves with the floor at the tourney site.

Hickman County will be host to the tournament in 1961, Fulton in 1962, and Carlisle County in 1963.

### FROM THE FHS "KENNEL" 14 Bulldogs Earn Basketball Letters

Coach Charlie Thomas has announced that all the boys out for basketball will receive their varsity letters. There are: one senior, six juniors, four sophomores, and three freshmen on this year's squad. This will give us 13 lettermen for next year's team.

Basketball and football letters are given on the player's value to the team, not on a certain amount of quarters played.

The freshmen — Don Burnette, Kenneth Allen, and Johnny Covington — are the first freshmen to letter in ten years. The last freshman to letter was Charles Sevier in 1950.

### FROM THE FHS "KENNEL" Band To Take Part In Contest, Concert

The band is preparing for the regional contest being held at Murray State in April.

The majorettes — Ophelia Speight, Sandra Williams, Elaine Beggs, Sandra Latham, and Martha DeMyer — will enter as a team. The following will play solos: Barry Roper — clarinet, James Reed and Bob Anderson — piano, and Edward Butler — tuba.

A brass quartet consisting of David Cunningham, Warren Nance, Danny Carver, and Barry Adams will participate. The Fulton High School band will also enter as a whole.

In addition to the contest, the band is preparing for the annual spring concert. Musical selections and soloists will be presented. The girls' junior high glee club will feature a song composed by the girl winning a song writing contest to be held by the group.

In the spring concert, the band will repeat this age old story, "Jack and the Beanstalk," with many humorous excerpts.

### FROM THE FHS "KENNEL" School Forsees Growth In Future

Fulton High's population has grown steadily in the last few years. It is predicted to grow even more in the future. Because of larger classes of 50 or 60 in the elementary schools, Fulton High School will be inhabited by about 250 students in 1963.

In the last few years an increase of 25 is evident, while in the past 35 years, a decrease of almost 60 is shown.

When the Freshmen of 1960 are seniors, there will be about 250 pupils attending Fulton High School in contrast with the present 193. There is seating capacity for this many, but more teachers will be needed.

The increase of students because of the two new factories will probably not show up for four or five years, since most of the new families have children below high school age.

Both Supt. W. L. Holland and Prin. J. M. Martin agree that 250 would not crowd the school. Some changes which could be made would be: (1) more seats in the classrooms (2) more teachers, (3) separation of the ground floor into classrooms, and (4) more modern equipment and books.

### FROM THE FHS "KENNEL" Student Teachers Start At FHS

We have two new student teachers with us from Murray this semester. They are Harry Dee King, industrial arts, and David William Shore, health and physical education.

Mr. King was born in Hickman, Kentucky. He is a senior, majoring in industrial arts with a minor in general business. He is very interested in sports, and has participated in both football and track.

He came to Fulton because he wanted to get outside experience in teaching. He said he felt that teaching in a regular high school would prepare him better for his career.

Mr. Shore is a senior from Cannell, Indiana. He attended Campbellsville Junior College before entering the service for three years. He is majoring in health and physical education with a minor in history.

He chose teaching because he likes to work with high school students and because he will always have teaching to fall back on. He decided on health and physical education because he wanted to be

### FROM THE FHS "KENNEL" Current Events Test Scheduled For March

Any high school junior or senior is eligible to take the Quill and Scroll Current Events Quiz. Potential journalists are urged to enter.

Any number of students may take the test, but only the best entry from the school is eligible for national competition. National winners will receive Quill and Scroll's Gold Key Award.

Besides this, each year the Quill and Scroll awards two or more \$500 college scholarships in journalism — one to a senior boy and one to a senior girl. Only national winners of the Current Events Contest (and of the National Writing Contests) are eligible to apply for the scholarships.

Miss Mary Martin, social science teacher, will give the test sometime in March.

## Farm News, Meetings, Events

(Ed's note: the following information, supplied THE NEWS by the USDA, ASC, nearby County Agents and agricultural agencies will be of special interest to progressive farmers in the Ken-Tenn area):

### Conservation Reserve Contracts Start April 15

New Conservation Reserve contracts recently signed by farmers go into effect not later than April 15, 1960, according to Roy Bard, Chairman of the Fulton County Agricultural Stabilization and Conservation Committee.

The contract provides that it goes into effect when the farmer starts his operations to establish the conservation cover on the cropland under contract but in no case later than April 15, 1960.

Mr. Bard gave this example: A farmer signed a Conservation Reserve contract on December 12, 1959, placing all his eligible cropland in the program. He agreed to plant grass on all the contracted land. Preparation of the land for grass seeding was started on March 10, 1960. The contract would then go into effect on March 10.

### State ASC Sets Corn Loan Dates

The State Agricultural Stabilization and Conservation Committee in Lexington, Kentucky has set March 31st as the last date farm-stored corn loans and purchase agreements will be available on the 1959 Crop, according to W. O. Gilreath, Chairman of the Committee.

The Committee also set May 1st as the maturity date for all farm-stored corn loans and purchase agreements, at which time farmers, who have not repaid their loans, will deliver their grain to the Government.

Warehouse-stored loans and purchase agreements will be available until May 31st and will mature July 31st. The 1959 Crop Corn Loan Rate in Kentucky ranges from \$1.16 per bushel to \$1.21 per bushel, depending upon the county in which the corn was raised.

### Price Support Levels For 1960-Crop Upland Cotton Announced

The U. S. Department of Agriculture today announced the levels of price support for 1960-crop upland cotton, under the alternate program choices made available to producers by the Agricultural Act of 1958.

For producers who elect the Choice (A) program with "regular" acreage allotments and a higher level of price support, the available support — basis Middling 1/8-inch cotton, gross weight, at average location — will be 75 percent of the February 1960 parity price.

### For producers who elect the Choice (B) program with 40 percent larger acreage allotments and a lower level of price support, the available support — also basis Middling 1/8-inch cotton, gross weight, at average location — will be 60 percent of the February 1960 Parity price.

The dollars-and-cents levels to reflect these percentages of parity are 28.97 and 23.18 cents per pound for Choice (A) and Choice (B) cotton respectively. In accordance with prevailing legislation, these supports are final. There will be no recalculation of levels at the beginning of the marketing year (Aug. 1) for 1960-crop upland cotton. The support levels on Middling 1/8-inch 1959-crop upland cotton, gross weight, at average location, are 30.40 and 24.70 cents per pound for Choice (A) and Choice (B) cotton, respectively.

As provided in the controlling legislation, cooperating producers are eligible for the full level of support which is available when marketing quotas have not been disapproved for that year. In a referendum Dec. 15, 1959, cotton producers approved marketing quotas for the 1960 crop of upland cotton by a 95.2 percent favorable vote.

### Pinion-Kelly Marriage Told

Mr. and Mrs. Clifford Smith of Plymouth, Mich., are today announcing the marriage of their granddaughter, Miss Joyce Pinion of Plymouth, formerly of Obion county, to Jackie Kelly of Hickman, Ky., son of Mr. and Mrs. Glenn Kelly of Hickman.

The single ring ceremony was performed by Dr. Truman Felker, February 6 at the Allen Heights Baptist church in Plymouth in the presence of the immediate family.

The bride, given in marriage by her father, Rice Pinion, was lovely in a skyblue frock of nylon chiffon designed with a scooped neckline, fitted bodice and bouffant skirts complemented with matching blue satin shoes.

Maid of honor was Miss Linda Pinion, sister of the bride, and matron of honor was Mrs. Miller Kelly, aunt of the bride.

Miller Kelly served his brother as best man.

The couple left on a short wedding trip immediately following the ceremony.

### DRESDEN GIRLS WIN

Dresden's girls team annexed the District 27 championship with an easy win over Greenfield in the finals at the South Fulton gym February 20 before a packed house, but Consolation winner, Palmersville, had to go three overtimes before downing the South Fulton Devils 46-44 in the most exciting game of the entire tourney.

(Items gathered along Fulton's merryway for your pleasure and your scrapbook)

Mr. and Mrs. John W. McAlister of Wingo Route 1, will celebrate their Golden Wedding Anniversary with an open house at their home on Sunday afternoon, March 6, between the hours of 1:30 and 4 p. m.

Mr. and Mrs. McAlister were married March 5, 1910. They are the parents of seven children, Georgie McAlister of Marysville, Mich., Floyd McAlister, Mrs. Claude Linder, Mrs. Chester Shelton and Mrs. Rube Gibson, all of Wingo, Mrs. Buster Webb of Chestnut Glade, Tenn., and Mrs. Homer Armstrong of Detroit, Mich. They have 18 grandchildren and six great-grandchildren.

All relatives and friends are invited to attend the open house. No formal invitations will be sent.

The Welfare Workers Club met in an all-day meeting in the home of Mrs. Lon Watts last Wednesday. Mrs. Frank Parrish called the meeting to order with the group singing "America". Mrs. Carl Kendall gave the devotional. Roll call was answered by a statement about Lincoln, Washington, or a household hint.

Goals were set for the new year, with the members and one visitor. Mrs. Joe Williams present.

A delicious pot-luck meal was served at noon.

Mrs. Larson gave a lesson on balanced meals and the following project leaders reported. Mrs. Harry Watts said that the members should read five books a year. Mrs. Harold Muzzle gave a lesson on clothing, and recreation was given by Mrs. Frank Parrish. Mrs. Lucille Palmer was the winner. The next meeting will be with Mrs. Guy Finch on March 23 at 10 a. m.

A Founder's Day tea featured the program Thursday at the February meeting of West Fulton P-TA. The meeting, which was postponed from the week before, was held at 3 p. m. in the Farm Room. An interesting program was presented on the Founder's Day theme. Mrs. Milton Exum had charge, assisted by Mrs. Roy Carver and Mrs. J. R. Powell. All past presidents were honored guests.

The Junior Woman's Club met Tuesday night at 7:30 at the club home. There was a program of fashions.

Mrs. Dan Taylor and Mrs. Bill Robertson were hostesses.

A coffee-dessert, sponsored by West Fulton P-TA will be held at the KU office Friday, beginning at 9 a. m.

## Ferry-Morse News

From the Plant

BY IRENE YATES

From Dept. 2709 come these bits of news. Rubye Seay was called to New Albany, Mississippi to be with her father who is critically ill. We hope Rubye will soon be back with news that her father is very much improved.

Kenneth Asbell and family visited his sister in Hickman over the weekend.

Juanita Whitten will be home for some time now as her husband, Rufus, has accepted a job at Campton, Ky.

Several of the men from this department have gone out for the Ferry-Morse basketball team, with Donald Watts as coach. These men are on the team: Larry Coltharp, Jerry Hobbs, Jimmy Allen, Moss Green, Jimmy Futrell and Mike Gambill. The first game played on Feb. 23 with the South Fulton Boosters was a loss for our team, but on Feb. 24 they played the Siegel Factory team and won. A mighty fine start, I would say. I, your column writer, would like to add this on to our basketball news.

Other players on this team are Jimmy Pruitt, Charles Hammock, Jimmy Hicks, Cal Seccomb, Billy Hamlin and Tommy Forbus. These men are starters and subs. They may have a different line-up for each game, so I'll not say which is which. You can watch your bulletin-board for the dates on games they will play for it will be posted as soon as possible. All you sports fans give your Ferry-Morse team a cheering support at these games. Really, you don't have to be a real-globe sports fan to enjoy a good basketball game and there is no age limit on enjoying a game either. You go and invite your friends and neighbors to go along. So far, these games have been free. The notice on the bulletin-board will give you this information. Anytime that I can get the news on when a game is to be played and have time to place it in this column, will be more than pleased to do so.

From Dept. 2707 come these items. Wanda Jackson and some friends went to Paducah Thursday night for a steak supper at Stacy's.

Dola Sisson's husband, Buford, went back to Memphis Feb. 24 for check-ups, the reports were fine.

Lillian Yates and husband, Guy, took birthday supper with Bro. G. R. Owen on Wednesday night, Feb. 24. Bro. George was 78. Others attending were Mr. and Mrs. Edwards and daughter, Teresa Carol, Bro. and Mrs. Doc Clapp, Bro. Wayne Owen and two great-grandsons of Bro. George's, Danny and Thomas Cole.

We grieve with Montez Kimble in the death of her grandfather, who was a very good friend.

It is nice in Hollywood and they are having a wonderful time. They also said that they will return to Fulton to see their friends when the weather gets warm here again.

Mr. and Mrs. Jones have been spending a part of each winter in Hollywood with their son for the past several years, but always return home in the spring.

Mr. and Mrs. Kenneth Adams and sons of Murray, Mr. and Mrs. H. C. Sams Jr. and family were guest of Mr. and Mrs. H. C. Sams, Sr., and Mrs. B. L. Austin recently.

The wives of the members of the General Assembly will be the guests of honor at a "coffee" to be given Thursday morning, March 3rd, at 11:30 (C. D. T.) by the National Society of the Colonial Dames of America in the Commonwealth of Kentucky, at Liberty Hall, in Frankfort.

The American Legion Heart Fund Kick-off Drive Sea Food dinner was held at the Legion Hall last Wednesday evening at 7.

Mr. Tom Roberts, of McKenzie, Tenn., who passed away on Feb. 22. You know, some of the fondest memories of most people are of grandmas and grandpas. Nothing can fill their place in a person's life.

We have been putting up an Economy Herb Package. I like herbs, as most people do. There is nothing that gives more eye appeal and zest to a meal than fresh or dried herbs. Most peoples problem is where to put them, no one wants one here and one across the garden in the corner. We like them handy and easy to get to. While reading one of our magazines I came across this handy suggestion, "Use a discarded stepladder, place near back door, against the garage or back fence. Fill each section with a mixture of sand, humus and soil, and plant basil, thyme, summer savory, chives, parsley, etc. The well marked, small beds are easy to care for." (From "Woman's Day").

Carl, the husband of Jere Wolfe, who on last account was in Memphis for check-ups, is now in the Hillview Hospital for treatment. Carl will be in the hospital for another week or more. Jere, we all wish for you and Carl that these treatments will soon have him well enough to be up and about with a normal day living.

Here is some news from Dept. 2708. Mrs. Mildred Latta spent the weekend in Lone Oak with her brother and family, Mr. and Mrs. Jimmy Pittman.

Martha House was admitted to the Fulton Hospital last Saturday. Hurry and get well, Martha.

Mildred Lata and Ltaura Byars of Dep. 2707 have some very important news of interest to both departments. Mildred's son, Wayne, and Laura's daughter, Emma, were united in marriage last Saturday at the Methodist Church in Clinton. We all wish for you much happiness, God's blessing and a long and happy life together.

Quida Travis took sick Monday and had to go home. We miss you when you're not here.

## Musical Program For Heart Fund To Be Presented

On Friday night, March 4th, 7:00 o'clock, at the Welch School, a most entertaining and interesting musical program will be presented. Mrs. Travis Dacus and Mrs. Laura Mathis, P-TA President and Secretary, Miss Sue Works, President of the Lone Oak Community Club, Raymond, McNatt and many others from the Dukedom Community are sponsoring the program in the interest of the Heart Fund Campaign.

Radio and local talent will be heard. No admission will be charged, but everyone will have the opportunity to make a contribution to the Heart Fund. Through your gifts you will be actively combating the greatest threat to your family's health and security.

Among the talent to be heard will be the Fellowship Quartet of Martin and Union City, the Fulton Harmonette Quartet, Tony Phillips band of South Fulton, Sarah Brundige, soloist, of Gleason, Leon Purvis and wife, duet of Trezvant, and the Stroud Family of Greenfield, and others.

## Ferry-Morse News From the Office

By Martha Jane Weeks

Well it's here, the Windy Month of March. And soon Spring will make her official entrance. Needless to say, all of us here at Ferry-Morse will be glad to see better weather.

Pat Holmes was bridesmaid at the wedding of Miss Barbara Babb at the Gospel Assembly Church in Paducah on Sunday, Feb. 28.

Deanne McKittrick gave a birthday party for her daughter, Lynn, Feb. 24 at the Park Terrace. Refreshments were served and everyone certainly had a nice time.

At first, I thought we had a new girl in the office, but upon a second glance, I discovered that it was Bobbie Jo Archey. Yes, she sure looks sharp in her new glasses!

Cynthia Ferguson spent the weekend in Louisville with her husband. At the present, he is employed there.

Last week, Ferry-Morse and Siegel had a thrilling basketball game in the South Fulton High gym. Joan Williams of our office was the official score-keeper, and although her husband was on the Siegel team, Ferry-Morse emerged the victors. Score: F. M. 64; Siegel, 53.

We were very pleased the other day when Mrs. Paul Westpheling, on behalf of Gov. Combs, made Charles Pawlukiewicz and George Smith, Kentucky Colonels. This is indeed a great honor, not only for Mr. Pawlukiewicz and Mr. Smith, but also to Ferry-Morse and to Fulton.

Well, I'm afraid that there's not much news from us this week. I guess all of us are leading normal but uneventful lives.

**The Inevitable End**  
Man asks but little here below,  
He's ready to admit it,  
And if Uncle Sam keeps taxing him  
He's pretty sure to GIT IT!!!

## SIEGEL NEWS SOUTH FULTON

By Pat Capps

Mr. and Mrs. Leslie Cruce, Jr., Deborah and Ronnie, Mr. and Mrs. James Dedmon and children, Mr. and Mrs. Charles Jones, Mr. and Mrs. J. W. Jones, Mr. and Mrs. Eugene Moody and Donna, enjoyed a fish supper at Boyettes Dining Room at Reelfoot Lake Saturday night.

Imogene Bransfield's children are all sick with the mumps.

Mr. and Mrs. Dee Ferguson spent Sunday with Mr. and Mrs. Kenneth Boulton in Union City. Kathleen Frazier spent the weekend with her parents at Hickory, Kentucky.

We are glad that Mrs. Jean Lamb has recovered from the flu and able to be back to work.

Mr. and Mrs. Raymond Campbell visited her father, Mr. Joe Todd, Sunday night.

Mary Alice Clark returned from the Baptist Hospital in Memphis, where she had surgery. Mary Alice is a sister of Bettie Platt and Joyce Cruce.

Drace Parkers' father-in-law is still unimproved. Mr. Parker lives in Missouri.

Mr. and Mrs. Clarence Hawkins, Columbus, Miss., were weekend visitors of Mrs. Billie Edmonson of Mayfield.

The Seam Pressers are on a deal for a good milk cow for Mary Katherine Brooks. It seems she is always going around with a box of milk in each hand and they think it will be much more economical if she will just buy the cow.

## TO ANNEX AREAS

## Fulton High School News

By Janice Davis

At the Kennel banquet last Saturday, Judy Burton, senior and Tommy Carney, junior, were named the Best School Citizens of Fulton High. They each received an engraved gold loving cup which was presented to them by Mr. Mansfield Martin, principal.

Judy is feature editor and a columnist for the Kennel, a member of various clubs, has been a class officer since she was a sophomore, and was elected the girl with the best personality for Senior Who's Who.

Tommy has been a class officer since he was a 'lowly' freshman and now holds the position of junior class president. He is now an assistant circulation manager of the Kennel and is a member of the National Honor Society and Conservation club.

These two students received this distinction by the nomination and vote of the faculty. The results were kept secret until the banquet, therefore when they found out Judy (who can be quite a chatterbox) said "I haven't got anything to say, except thanks" and Tommy just mumbled something. (That is one way of eliminating longwinded speeches!)

The results of the University of Kentucky's Placement test arrived the first of this week. And the worried look on everyone's face as they stood around in the

hall to find out how they did! The top ten students are printed elsewhere in the paper.

As a whole the senior class is strongest in social sciences and weakest in science. English and math are in the middle in that order.

It seem all kinds of marks, grades, and spots his this week. Wednesday the future faces of the nation fell or lighted up, whichever the case may be, when report cards were handed out.

(It is being rumored around that we seniors are ACTUALLY going to get our senior pics in a week or so!)

Report on our student teachers: Mr. Harry Dee King, 26, senior at Murray, major in Industrial arts, minor in general business, likes and participates in football and track, likes Fulton, and plans to teach on leaving college. He is now in our manual arts department with Mr. Bill Robertson.

Mr. David William Shore, senior at Murray, major in health and physical education, minor in history, likes sports, teaching high school students, and coaching, plans to be a coach on leaving college. He is now in our phys. ed. department with Mr. C. H. A. Thomas.

The woman student teacher that was reported earlier who would be with Mrs. Catherine Bennett, English teacher, has been canceled.

The basketball tournament starts for the Bulldogs tonight as they face Carlisle County in the second game at Hickman. Good luck and everyone come and cheer our team on.

Admission is one dollar for adults and 50 cents for students.

Snakes anyone? The Southern School Assembly presented today a show - various and sundry of these reptiles. Students who had any qualms about them or wanted to study, remained in the study hall.

The Kennel appeared in school Monday of this week and it contained many interesting little fillers, such as: Gary Williamson: "Is lipstick really poisonous?" and Mrs. Bennett in third hour English: "Hurry up, Bill."

Miss Mary Martin, Social studies teacher has one for the next issue. It is a little German word which means a decision of a committee at the head of the house of government - Reichsdeputationshaupptschluss!

### Program To Be Presented At Carr

Chuck Bindner will present a program entitled "Reptiles You Should Know" at Carr Auditorium on Thursday, March 3 at 8 a. m. Admission will be 15 cents.

The program of wide scientific appeal deals with turtles, alligators and snakes. He will explain about giant tortoises, alligators, crocodiles, poisonous snakes and snake lore.

Mr. Binder comes directly from Ross Allen's Reptile Institute at Silver Springs, Fla., one of the most fabulous institutions in America today.

Majoring in field zoology and working as a state field naturalist gave him a rich start in this exciting subject.

## Fulton High School News

By Janice Davis

(Last Week)

February 27 at six-thirty, the fourth annual Kennel banquet will be held at the Park Terrace Restaurant. All members of The Kennel staff, class officers, faculty, and honored guests are invited.

Nancy Bushart, Martha Herring, Maridel Wells, and Carol McNeilly are in charge of arrangements and decorations. They have been working hard to make this a success. Carol is going to be the Mistress of Ceremonies and will introduce the guest speaker who will be Mr. Robert Payne, Murray State College Journalism Director.

At the banquet, Mr. Mansfield Martin, principal, will present the citizenship awards. They will be awarded to the one boy and girl whom the teachers have chosen as being the best all around school citizen. These two will not be announced until the banquet. The Kennel will also be distributed then.

The Kennel staff has already come in contact with Mr. Payne earlier this year. At the request of Wayne Anderson, editor, Mr. Payne analyzed and criticized an issue of The Kennel. He gave some very helpful and construc-

tive comments on the particular issue. He also said that this paper was an exceedingly good one, especially considering the fact that no one has any formal journalism training which is so important to good writing.

A big event that has already passed was the choosing of Mr. and Miss Fulton High School. As everyone probably knows, Jean Burnette and Tommy Fields received this honor.

And an honor it is considered by these two outstanding students. Naturally, both were very happy to receive this title and feel that it places the responsibility of setting an example for the rest of the students and of representing them also.

The nominees from the other classes were: freshmen, Beverly Haman and Tommy Powell; sophomores, Scarlett Turner and Ladd Stokes; juniors, Ophelia Speight and Joe Bennett.

Hurray for us! The seniors are going to present a class play sometime in April. The class voted on it Tuesday and everyone has promised to help if called upon.

Mrs. Catherine Bennett, English teacher and class sponsor, will select the play and as soon as a copy is secured, try-outs will be held. Several boys suggested that we do Macbeth (kidding, of course), but Mrs. Bennett says that we will probably have a comedy.

A-a-act-i-ion, ray! We have had several new cheerleaders for our last two pep meetings. Appear-

## Fields, Burnette Elected Mr. and Miss F H S

Tommy Fields and Jean Burnette were elected Mr. and Miss FHS. The other candidates were Beverly Haman and Tommy Powell - freshmen; Scarlett Turner and Ladd Stokes - sophomores, and Ophelia Speight and Joe Bennett - juniors.

Each class chose its candidates, then each student voted for his favorite.

Jean Burnette is very active in high school activities. She is secretary of the National Honor Society and the Quill and Scroll. She is reporter for the F. H. A. and has received two degrees. Jean is a member of the Nurses Club, co-editor of the annual, exchange editor of THE KENNEL, and assistant to Mr. W. L. Holland, Superintendent of Schools. She is in 4-H and represented the county in the state style revue when she was a freshman. Jean also had the honor of being attendant to the football homecoming queen this year.

Tommy Fields is also very active in Fulton High. He is an honor student and in the Honor Society. He has played football and lettered three years. Tommy is the business manager of his class and was a class officer in his freshman and sophomore years. He was a member of the track team and an officer in the Conservation Club last year. Tommy is also a member of the Bulldog Club.

MR. AND MISS FULTON HIGH - Jean Burnette, and Tommy Fields, both seniors.

## What Is This I See Before Me? Ah, Now I Know! It's Fulton Hi

(as told to Karen Dublin)

FROM THE FHS "KENNEL"

It was a dark dreary day in mid-January. The temperature was in the low thirties. The wind howled as it sped around the corners of the large brick building in which I was standing. I peeked in the door of an enormous, drafty room. There I saw many people, each one sitting on a hard wooden seat in front of a hard wooden desk. They seemed to be in deep thought. It was deathly still.

Making myself small as possible, I crept into the room slowly and quietly, and advanced down the narrow aisle. Finally I reached the first person, and peeking carefully over his shoulder, I saw a large white sheet of paper with a lot of printing on it. Every once in a while, he would lower his pencil and make a hesitant mark. The time seemed to pass - very slowly.

Suddenly a voice rang out, "All right, time's up." There was a sudden flurry of pencils making marks in last minute desperation. I hid under a chair and watched a woman walk briskly around the room taking up the papers. She looked as if she rather enjoyed her work, especially when she read one of the papers. Why, she actually burst out laughing!! The rest of the people looked just plain disgusted.

Finally a loud bell rang and everyone jumped up and ran out of the room. I heard one boy yell as he ran out, "Thank goodness those semester exams are finally over."

Strange, isn't it. Oh, well, I never could understand those earth people!

With JIM PRYOR  
Agricultural Agent, Illinois Central Railroad  
Silage on the Dinner Table!

This doesn't mean we are to dine on a portion of silage in the future, however, it does indicate the ability of beef steers to utilize silage in the production of quality meat.

The feeding of more silage is one answer to producing cheaper beef. Once it was believed that good beef could only be produced in the corn belt by feeding primarily corn. Our forebearers prided themselves on their ability to top the market. It mattered not if a steer waddled off the farm after having consumed 150 to 200 bushels of corn. The main thing was that he topped the market.

Those days are gone. We now face an entirely different set of conditions. The modern day consumers do not want excessively finished beef. To be sure, fancy hotel and restaurant trade will take the ribs and loins of a certain volume of prime beef, but the remainder of the carcass has to be marketed too. Test after test proves Mrs. Average Housewife will choose a high good or choice cut of beef over the prime cuts. This is not guess work, it is a proven fact, even with the same price tag on the three grades.

Indications are that an important factor affecting beef production in the future will be silage. This useful feed has been kicked around the country for half a century. While its use has been increasing in recent years, the field has been scarcely scratched. Economic beef can be produced with a silage ration.

Modern methods make it possible to harvest, store and feed silage with a minimum of labor thus overcoming the big criticism of a quarter of a century ago. Silage can be made from most any plant that grows on the farm. Practically all feeding value is preserved in making silage in addition to a very palatable ration. Thus, southern farmers, through heavier silage feeding, long pasture seasons and mild winters, are producing more and more beef for the modern market.

## News Editor Was Aware Of Cubans Dislike For Americans In 1956

By Ouida Jewell

Tuesday I read a newspaper article which stated: "Respect for the United States is the lowest it has ever been, said one longtime Cuban resident," while being interviewed by an American newspaperman.

It recalled to me a vacation trip my parents and I took to Cuba back in the fall of 1956.

I had always wanted to visit Havana, and never dreamed that Americans wouldn't receive as warm a welcome there as in Mexico, where we had visited a couple of summers before.

My parents and I, along with other American tourists on our plane, were to learn immediately upon landing in Havana that the

Cubans had no love or respect for Americans.

The first time this was brought to our attention was in trying to collect our luggage after getting off the plane. Although, we and other Americans were first at the baggage counter, not a one of us was able to get our luggage until the last Cuban had gotten his.

And, in the restaurants and shops, the Cubans seemed only interested in "what money they could get from us. They most surely upped all prices on Americans, for Daddy had to pay, the best I can recall, almost \$3.00 for two poached eggs and \$1.75 for a sandwich.

When we ended our shortened trip, Americans had to wait until all Cubans had boarded the plane first.

We came home with the feeling that Cubans just don't love Americans, and we had the very same feeling for them, as a whole. Maybe, I should have sent a letter to Washington back in 1956, then the top brass would have been prepared for the feeling existing in Cuba toward the United States today.

## Homemakers Club Has Meeting

The Joylette Homemakers met in the home of Mrs. Queen E. Cavitt with the vice-president, Mrs. Lillian Jackson, presiding.

The meeting was enjoyed with nice games. The lesson was on Social Security.

Two visitors were present. They were Mrs. Percy Lee and Mrs. Vera Jackson.

The hostess served a delicious dinner. Ten members were in attendance.

The next meeting will be held with Mrs. C. R. Williams on the fourth Tuesday in March.

Miss Catherine Wilson is the home agent.

## Bondurant-Junior Wedding Announced

Miss Joyce Bondurant, daughter of Mrs. Bert Junior of Hickman and James M. Bondurant of Memphis, became the bride of Jerry Lee Jones, son of Mr. and Mrs. L. P. Jones of Fulton, Jan. 22. The Rev. Lowell Wright performed the double ring ceremony at the West Baptist Church.

The bride chose a winter white two-piece satin brocade and attendants were Carolyn Anderson and Jerry Bondurant.

The couple is making their home in Tampa, Fla. where the groom is employed as an assistant manager of a filling station.

## Burton And Carney Win FHS Citizenship Awards

Judy Burton

Tommy Carney

At THE KENNEL'S anniversary banquet held Saturday night, February 27, it was announced that Judy Burton, senior, and Tommy Carney, junior, had been selected as the best citizens of Fulton High School. At that time, they were presented gold engraved loving cups by Prin. J. M. Martin.

Judy Burton, daughter of Mr. and Mrs. Jack Burton, Highlands, has been very active in school activities throughout her high school career. She has been a member of the Future Nurses Club for three years, the FHA for four years, and the Quill and Scroll for two years. She won FHA degrees in her freshman and sophomore years, and has been an officer continuously since she was a sophomore.

As a member of the Senior Girl Scouts, she has worked at the Fulton Hospital and local nursing homes as a nurse aid.

Judy was a candidate for Miss FHS when she was a sophomore. In the Senior Who's Who, she was voted "Best Personality" in the Class of 1960.

Beginning as circulation manager of THE KENNEL last year, Judy is now feature editor. She writes the "Just Scribbin'" column found on page three, and puts in a lot of time helping out in numerous ways.

Tommy Carney is the president of the Junior Class. He was vice president of his Freshman Class, and secretary-treasurer last year. An outstanding student, he has been on the honor roll every semester since he has been in high school, and has won two monograms so far.

Tommy is a member of the National Honor Society, and of the Conservation Club.

On the KENNEL Staff he started as a reporter, and now holds the position of assistant circulation manager.

## Burglars Enter Two Stores Here

Two Fulton business places were broken into recently.

The Fulton City Police discovered the break-in at Buck's Drive-In Liquor Store on East Fourth Street shortly after midnight Saturday night, Feb. 20.

The burglars had made their entrance by breaking the glass out in the front door.

Monday, Feb. 22 Buck Bushart, owner of the store, reported that approximately \$300 worth of whiskey was stolen. He also said that few cigarettes might have been taken.

At 3 a. m. Feb. 21, J. B. Barclay, manager of the Sport Center, passed by the store, which is located on Walnut Street and discovered that the large plate glass window in front had been broken out by someone by throwing a brick through it.

A rifle was taken from the window at the Sport Center.

On Thursday, Feb. 18 a transistor radio was stolen from a window display at Bennett's Electric, across the street from the Sport Center. The window was broken out but the building was not entered.

Over the same weekend stores were also broken into at Martin and Mayfield.

## Watch Out Boys It's Leap Year

By Susan Stokes

Pity the plight of the poor male. After a week of worrying and ego-building, he finally has his courage bolstered enough to ask "Miss Lucky-to-get-one" for a date.

The big night arrives. He approaches the door with knees knocking (eliminating knuckle-door contact), and naturally she's not ready. This leads to a strained "Nice weather we're having" conversation.

Finally she's ready. He has to help her with her coat, open and close the door, help her into the car, close the door, and go around to his side. Now he can settle down to the simple job of driving. They go to the show, snack, go to Ray's, eat - of course for this, the inevitable, must be done and he pays the bill.

Now comes the romance department. Relax fellow - you have some time off. Its the girls turn to work - IT'S LEAP YEAR!

## Mrs. Wright Has Letter Published

A letter written by Mrs. Hendon Wright, Program Director of Radio Station WFUL, appears in the letters to the editor column, "The Readers Write" in the February 22 issue of "Music Vendor", a national weekly magazine of recorded music.

Mrs. Wright's letter follows:

To the Editor:  
"I would like to take this opportunity to thank you for the fine magazine. It is the only one that has so much to offer in one complete magazine."

"I believe that your publication has the most reliable music reporting of any to be found."

Thanks again for the magazine.

## Missionary Speaks In Fulton

Miss Sarah Dawsey, missionary to Brazil, spoke at First Methodist Church, Fulton on Wednesday night, March 2, at 7:30. She will also speak the following day at the district meeting of the Woman's Society of Christian Service in Martin.

Her appearance in Fulton on Wednesday evening gave an opportunity to employed women to hear her speak.

Born in Brazil of missionary parents, Miss Dawsey is now president of Bennett College in Rio de Janeiro, Brazil. She is now on a year's furlough. The college she serves is considered an outstanding school not only in Rio de Janeiro but in all of Brazil.

## Rat Campaign Completed Recently

The annual Rat elimination campaign in the Twin-Cities was completed recently with 2,245 places baited, with 2,700 pounds of rat poison.

The work was done by six members of the Fulton and Obion Counties Health Departments, one representative of the United States Fish and Wildlife Department and six men furnished by the cities of Fulton and South Fulton. Harry Barry, sanitarian for Fulton County, and John Garraway, of the Obion County Health Department supervised the campaign.

The Rat Campaign was started here in 1948. After a skip of a few years, the campaign has been held in the Twin-Cities annually.

The Health officers said that places which were previously highly infested with rats, now have none. They said that the way to judge whether or not the poison is successful is by the absence of live rats, instead of the presence of dead ones.

The way we, as citizens, can help in the rat campaign, the officers said, was to use proper garbage cans, and to clean out old buildings and clean up under buildings, which are breeding places for the pests.

## Kennel Dinner Held Sat., February 27

Saturday night at 6:30, the fourth annual KENNEL banquet was held at the Park Terrace Restaurant.

Nancy Bushart, Martha Herring, Maridel Wells, and Carol McNeilly were in charge of arrangements and decorations.

The master of ceremonies for the evening was Carol McNeilly. She welcomed the guests and then introduced Wayne Anderson, editor of THE KENNEL. Carol then introduced the speaker of the evening, Mr. Robert K. Payne who is Murray State College Journalism Director.

Mr. Mansfield Martin, principal, then presented THE KENNEL'S annual Citizenship Awards.

Those invited were the members of the KENNEL staff, class officers, members of the Fulton High faculty, and honored guests.

## Seniors Plan Play: Slated For April

The Seniors had a class meeting last Wednesday afternoon and decided to have a class play.

Mrs. C. R. Bennett will select and direct the play, which will probably be a comedy. As of yet she has not selected one, but she soon will.

The Seniors hope to be able to have tryouts in about two weeks, and practice will begin shortly thereafter. The play will be presented sometime in the middle of April.

## MRS. ERRANTON—

(Continued from Page 1)

tinued to fire. Mrs. Erranton ran for help.

After neighbors arrived and had called for police and an ambulance to take Erranton to a hospital, Humphreys remained in the room and surrendered to officers.

He uttered only one word between the time of the shooting and the time officers took him away. County Judge Henry Jack Wilson, one of the neighbors who went to the home, said he asked Humphreys if he wanted a lawyer.

"No," Humphreys muttered as he was led away.

Judge Wilson postponed a scheduled examining trial for Humphreys after Dr. James Fuller had examined the attorney and reported that he was in no condition to stand trial. No date has been set for the hearing.

Dr. Fuller said he didn't believe Humphreys "knew what was going on." There is also a possibility that he is suffering from flu, the doctor said.

Also, said Dr. Fuller, Humphreys' parents want Dr. V. A. Jackson of Clinton to examine their son before a hearing is held.

Coroner Anderson said an inquest into the death was scheduled for 10 a. m. Wednesday. Anderson said Mrs. Erranton would be asked to testify at the inquest.

Humphreys, charged with the slaying, is being held without bond pending the examining trial.

A number of persons reported shortly after the shooting that Humphreys appeared to be "in a daze."

Mayfield Attorney L. M. T. Reid, a close friend to Humphreys, also tried to talk to the Hickman County official. Reid said Humphreys didn't seem to recognize him.

State Police Detective Hugh Paves was one of several officers who went to Humphreys' cell, and he also said Humphreys didn't appear to know what was going on.

"I know Humphreys well," said Page, "but he didn't show any sign of recognition. He just stared vacantly at me."

Page said he tried to "break his stare" and gain recognition by making several quick, unexpected moves, but that Humphreys never seemed to notice.

Mrs. Humphreys is the former Miss Mary Jo Woodson of Fulton. She worked for Bennett Coal Company, where Erranton was employed, from February 1, 1957, until the last of November, 1959. She and Humphreys have a son, 15.

Erranton primarily was a salesman but he also installed air-conditioning units sold by the company, which is owned by Ray Annus. He was well-known and, like Humphreys, highly regarded in the community.

Erranton also is survived by his parents, Mr. and Mrs. Jesse Cleveland Erranton of Wingo Rt. 2, and two sisters, Mrs. A. E. Brown of Graves County and Mrs. Thomas E. Bishop of Kalamazoo, Mich. The body is at Byrns Funeral Home. Arrangements are incomplete.

Erranton served in the Navy during World War II.

Although quiet and reserved, Humphreys is recognized as a leader in the town of Clinton and County of Hickman. He is past commander of the American Legion post and past president of the Clinton Chamber of Commerce.

He became a lawyer after serving in World War II.

Humphreys is extremely popular at the Hickman Courthouse and among the attorneys of Western Kentucky. He belongs to a rural church in Hickman County and takes a leading part in it.

Clintonians were shocked by the tragedy.

Typical of the comments was one by a friend who said: "This is unbelievable."

Another acquaintance said, however, that Humphreys "had been acting strangely."

He did not explain how.

apathetic populace said some things just couldn't be done. There were times when a membership drive to the Chamber of Commerce was a dreary undertaking with some people joining begrudgingly, paying a very small membership fee. Now the dues have been upped to where the organization can do things, send people places, and in the end result tell the Nation about our twin cities. And a lot of people know about it too — and admire it.

It must be a tremendous satisfaction to the retiring officers and board members to learn that Fulton is among the top ten communities in Kentucky selected to win one of the top achievement awards given annually by enterprising firms in the State. But even if we don't come out with one of the top awards as we did in Kentucky and Tennessee last year, we'll surely know that we were in some mighty good company.

Life Saving. He was qualified to do so as a result of the training he had had under Red Cross. This summer this program will be continued in Fulton and as a result our children will be safer to enjoy this recreation that has been provided them.

There is an extensive First Aid Activity in Fulton that is sponsored by Red Cross Mrs. Omar reported that we now have five trained instructors in Fulton. Mrs. C. B. Jones is now teaching two classes in First Aid, one in Cayce and one in Fulton. J. Wesley Richardson is to start a class in Hickman soon, and Walter Voelpel now has a class in the Boy Scouts. Robert Burrow and Billy Johnson are also eligible to give First Aid courses. About 75 persons have received this training in the past year.

Another acquaintance said, however, that Humphreys "had been acting strangely."

by-ways these next four months visiting all 26 of Kentucky's State Parks from the Mississippi River to the Breaks of Sandy I surely won't pass up any opportunity I can to learn things that might be of value to our own community development program. And for whatever the information might be worth I hope the Chamber of Commerce will always feel free to call upon this newspaper and Radio Station WFUL to do what little we can to help their program along. And to paraphrase some famous sayings of recent years, whatever is good for the Chamber of Commerce, and the twin

cities, is bound to be good for all of us.
